WAX MUSEUM NEWS:

The next deadline is April 12th for the presentation board and presentation information. We will have a parent/student work day at the school on Tuesday, March 27 from 4:00-6:30. Students must be accompanied by an adult. Presentation boards should have pictures with captions of the person being studied. There will also need to be a timeline showing important events of the person's birth date, and end with his/her present age (if still living) or death. The timeline needs to contain 7-10 events and may include dates of historical or significant events. The presentation board is graded on neatness, color, pictures and captions. The oral presentation will need to include the person's name, birthdate, information about the family important items from that person's life, if the person is still alive or the death date if deceased, and what main thing this person is remembered for. Note cards may be used. The oral presentation will be graded on eye contact, expression, content, and completion of the assignment.
